**SURE KILL PARIS GREEN!**

It's sure because it's pure. We have a brand of Paris Green this year that exceeds anything we have ever before been able to get. It is extra strong and has great killing power. It is free from the plant-decaying acid which makes some Paris Green unsafe to use on vegetation. You can use our Paris Green on your potato or tobacco plants with assurance that no harm to the plants will result but that potato bugs and tobacco worms die.
